STEP 01

Sign in

Everyone

1. Open Google Chrome and go to **portal.shcolaw.com**.
2. Staff: on the **Staff SSO** tab press **Continue with Google Workspace** and pick your **@shcolaw.com** account.
3. Outside people (auditor, client): use the **External Access** or **Client Access** tab with the e-mail and temporary password from the portal e-mail, then set your own password.
4. You land on the **Firm Start Centre**. To sign out, press **Sign out** at the bottom of the left menu.

STEP 02

Find your way around

Everyone

1. Left menu: **General** (your own things), **Practice** (clients, files, court), **Finance & Accounts** (only if you have billing access), **System** (settings, guide).
2. Top bar: the search box finds files, clients and documents.
3. Gold **New** button: make anything new from any page (client, file, lead, task, quotation, money in or out, claim).
4. The round arrows reload the latest data. The box is the **Recycle Bin** (undo a delete). The bell is your notifications.

STEP 03

Your day: My Dashboard

Everyone

1. Click **My Dashboard**. **My work** opens first.
2. The coloured tiles count your matters, deadlines, hearings and things waiting on you. Click a tile to filter.
3. **Needs your decision**: leave, quotes, claims, vouchers and close requests waiting for you. Approve here, or **Open** to go to it.
4. **My to-do**: your tasks and court dates, grouped Overdue, Today, This week, Later. Tick when done. **+ New task** adds one (it can go to your Google Tasks).
5. On the right: your meetings, court dates for the week and your performance.

STEP 04

Open a file and its tabs

Partners, lawyers and assistants

1. Click **Cases**, search the file number or client, and click the file.
2. The tabs along the top: **Status** (weekly update), **Court** (hearings and court memos), **Filing & service**, **Tasks**, **Time & costs**, **Money**, **Notes**, **Letters & e-sign**, **History**.
3. Every hearing, memo, note and filing has **Edit** and **Delete**.
4. Each week, open **Status** and fill in progress, next step and health. The **Case Status** page in the left menu shows every file's latest status in one list.

STEP 05

New client and new file

Partners, lawyers and assistants

1. **New** → **New client**: name, IC or company number, contact. A conflict check runs as you type.
2. In the client's **KYC** tab: the usual list is NRIC / passport and bankruptcy search (companies: SSM and directors' NRIC). **Not needed** drops one, **+ Add a document** adds one. Upload each.
3. **New** → **New file**: pick the client, practice area, partner and lawyer in charge, **Date opened**. The file number is made for you and a Google Drive folder is created.

STEP 06

Leave, claims and my profile

Everyone

1. **Staff Portal → Leave**: pick the type and dates, choose who covers your files, **Send to partner**. You can **Cancel** it while it waits.
2. **My Claims →** **+ New claim form**: travelling has **Going** and **Return** (km each) and a **Purpose**. Attach receipts, add each item, then submit. Waiting or rejected claims can be edited or withdrawn.
3. **Staff Portal** also has your payslips, attendance, goals and the monthly check-in.

STEP 07

Billing and money (billing access only)

Partners and Accounts

1. **Billing & Collections**: three sub-tabs — **Quotations, invoices & receipts**, **Fees by file**, **Work not billed yet**.
2. **New** → **Quotation**: pick the client or lead (the file ref fills itself), fees, then **Send** to e-mail or WhatsApp it. **+ Consultation proforma** for a consultation fee.
3. Accepted quotation → proforma for the deposit → invoice when work is done → receipt when paid. **Issue** asks for the date.
4. **New** → **Money in** / **Money out**: pick the client, the date, attach the slip or bill.
5. **Approvals**: approve claims and vouchers, then drop the bank receipt to mark them paid.

STEP 08

Getting help

Everyone

1. **Staff Guide** (left menu, System): every topic step by step, for your role.
2. Deleted something by mistake? The box button at the top → find it → **Restore Record**.
3. Something looks old? Press the round arrows. Still stuck? Screenshot it and send it to an admin with the file number.
